

## Remarks

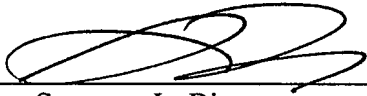

The instant Amendment is submitted concurrently with a Substitute Sequence Listing, a Computer Readable Form (CRF), and the Applicants' Statement supporting the entry thereof in response to a Notification of Defective Response mailed on April 2, 2007 in connection with the above-captioned Application. The Commissioner is hereby authorized to charge any requisite fees, or any fees in connection with this application during its entire pendency, or to credit any overpayment, to Deposit Account No. 04-1679.

The Sequence Listing is amended for clarity and to provide additional information regarding the source of the artificial sequence in the sequence listing fields <220> to <223>. The amendment finds basis in the specification, claims, and drawings as originally filed. No new matter has been added and no new search is required.

Applicants respectfully request consideration and entry the instant Amendment and the Remarks into the file history.

Respectfully submitted,

By: \_\_\_\_\_
